**Security and safety**

The RST terminals meet stringent ISPS rules. Additional random identity checks and/or visitations may be carried out. It is compulsory to wear a safety helmet, jacket and shoes in the terminal. Instructions given by Security personnel must always be followed.

**Terminal access**

Access to the terminals requires:

- \* Cargo Card for lorry drivers
- \* Port Key for nautical service providers
- \* Day pass for external visitors
- \* Employee badge for the RST employees

**Incidents**

Any accident, damage and/or incident such as hazardous substance leakages must be reported immediately to an RST employee or to Security: +31 (0)10-2942527

**Communication**

RST expects everyone on the premises to be able to reasonably communicate in the Dutch, English or German language. RST is not liable for waiting times as a result of communication problems in this regard
